Dear Parent/ Guardian,

RE: END OF TERM I - 2025 PARENT'S CIRCULAR

Warm greetings from the entire staff of Kampala Kindergarten Association. We are grateful to God for enabling us to successfully complete Term I 2025 which has officially ended today Wednesday 30th April 2025. We extend our heartfelt appreciation to you for your unwavering support throughout the term. Your dedication to the children's holistic development has indeed prevailed throughout the term. Please allow me on behalf of the staff and Management of KKA to briefly communicate the following issues to you:

1. END OF TERM I REPORTS & HOLIDAY MOTIVATION WORK

Every child has been given her/his end of Term I 2025 report. Please study your child's report carefully and if there are any issues of concern, do not hesitate to bring them to the attention of the Class Teacher, the deputy Head Teacher or the Head Teacher.

All children have been given holiday motivation work which is supposed to be done in bits under the parent's/ guardian's guidance. Children who have been given project work should start on it early enough in order to complete it and be able to submit it at the start of Term II 2025.

2. HIGHLIGHTS OF THE JUST CONCLUDED TERM

a. Orientation Week

This was conducted from Wednesday 29th January to 4th February 2025 for the new children to enable them interact with school environment before the reporting back of the continuing children. The week was crowned with an orientation meeting for the parents of the new children on Tuesday 4th February 2025. The week must have done miracles for the teachers of the new children because by the end of it, most of them had realized that school was fun and crying on arrival had greatly reduced. New parents in the school were also helped to fit in the system.

b. Curriculum Week

This was conducted from Monday 3rd to Friday 7th March 2025. Parents were taken through the details of the curriculum expectations at the different levels of learning; the theme of the year 2025 was also introduced respectively as **"Commitment Leads to Excellence"** Parents and teachers discussed and agreed on each party's roles as regards to the new theme. Of the suggested greeting slogans, the teachers selected, **'I am Fine and Committed to Excel'**.

a. Open Week

The school conducted a Parents' Open Week from Monday 24th to Friday 28th March 2025. We believe that the interaction must have made a big change as regards to the child's general performance. Parents are advised to make a follow up on whatever was agreed upon as the way forward in helping the child to progress further. Parents who did not turn up for the Open Week are advised to do so next time.

c. Sports Day

We held our Annual Sports Day on Saturday April 12, 2025. We wish to thank the parents and the well-wishers of KKA for turning up in such big numbers. The activities were competitive at the Green, Blue and Primary One levels. Amidst a tight competition the Marshal Rangers house was number one, followed by the Supermen and the Power Rangers respectively. The winning house celebrated her victory with all the children on Tuesday April 29, 2025. As you know; **"at KKA we all win"**.

In a special way, we wish to thank **Dr. Hajat Kluthum Gumisiriza** for accepting to preside over the function as the Guest of Honor. We also thank our parents who were requested to manage children as they were competing on lanes for the work well done. We also

appreciate the adjudicators from Nakasero Primary school and all the invited guests for resisting the rainy weather to be part of the function. You made the day so colourful. May God bless you.

d. Annual General Meeting

The meeting took place on Saturday April 26, 2025. We thank the parents who endeavoured to register as members and those who went ahead to attend the Annual General Meeting. A good number of school issues were discussed and resolutions were recorded in minutes to mention but a few;

1. An increment of Fifty thousand shillings only (50,000/-) was added to the school fees to cater for the rising costs of the school commodities.
2. KKA children will be wearing crocks while at school for easy movement and for hygienic purposes, as it will be easy for them to remove the crocks as they enter classrooms.
