Dear Parent/Guardian,

## **Re: End of Term III Circular - 2024**

We glorify the Almighty God who has enabled us to complete our 2024 Academic year successfully. We thank you for the continued support you have given to the school throughout the year. We appreciate your fulfilment of the financial obligations, special contributions and participation in school programs. As we break off for holidays, we wish to communicate the following to you:

### **1. End of Term III Children's Reports**

Every child of TOTs' Palace, Yellow, Red and Green has been given her/his end of Term III report. Please study your child's report carefully; if there are any concerns, do not hesitate to approach the Class Teachers, Deputy Head Teacher or the Head Teacher for discussion or clarification. The children of Blue have been issued with Certificates (Diplomas) to mark their completion of the Kampala Kindergarten Association Curriculum. On behalf of the KKA Family, I congratulate and wish them good luck wherever they are going for Primary Education and kindly request them to keep **"the KKA Candle burning"**.

### **2. Admissions for 2025**

The first set of interviews for the 2025 admissions was conducted and the school is organizing the next set to be conducted in January, 2025. Interested parents are encouraged to pick application forms or download them from the school Website, fill and return them because the school cannot invite you for an interview before receiving your application. We also remind the parents of the children that were admitted, to complete the admission process by paying the commitment fee (which is part of Term One fees) and come for your child's admission form. If you have not paid by the stipulated date, we shall assume that you have lost interest in the vacancy and it can be given to someone else.

### **3. Admissions for Primary One 2025**

As earlier communicated, KKA is extending her services to the Primary Level starting with Primary One in 2025 at the school premises. We hereby inform you that registration is ongoing. For more details, please call the office or the Headmistress' number 0414342887/0754087386.

### **4. KK Tots' Palace**

This is a special Day Care class (from 3 months to 2 years) which started at the beginning of this year. We appreciate the parents who have entrusted us with their treasures; in a special way I wish to thank the parents of Anthony a.k.a Kinte who were the first to enroll their son. We thank them for the good relationship we have had and the marketing they have done for us because we have got many clients through them. Parents outside there, we call upon you to bring your babies to KKA **"the Best Day Care in the World"**, you will not regret.

## 8. KKA Kid's Boom Camp

We are happy to report that the KKA Kids' Boom Camp was conducted from Tuesday 10<sup>th</sup> to Saturday 14<sup>th</sup> December 2024. The participants had a lot of fun and acquired a wide range of skills. We thank the parents who responded positively towards the cause and we call upon the parents who missed to get ready for next year. The school is sharing the photos on the class platforms for the parents to get the real picture of what transpired in order to help the children nurture the acquired skills further.

## 9. Child Care Caution

Although we have continuously cautioned our learners about Personal safety and security, we still remind Parents to be vigilant during this long holiday. Please make sure that the home environment is safe, educative and friendly to the children. Mind the people you leave your children with at home, the T.V stations and any other gadgets they use in your absence which may expose them to inappropriate information for their age.

## 10. Communication

We hope that our way of communicating to you by electronic means is improving. We have been receiving more feedback from you in regards to our communication.
